AVIS AU LECTEUR

Comme la plus grande partie des personnes qui sont éloignées se trouvent embarassées de sçavoir quand il y a des danses nouvelles pour le bal, on a jugé apropos de fixer un temps, et pour cet éffet on avertit le public une fois pour tous jours, que lón continura toutes les Années vers le commencement du mois de Novembre dén donner un petit recuëil dont le prix sera de trente sols; Ie comence par celuy cy dont jespere que le succes nén sera pas moins grand que de tous les autres ouvrages que jáy fait graver, dont lém-pressement de tout le monde a les avoir, a été une preuve certaine de leur merite.

Ie me croit ausy obligé de faire conoitre au public que la Choregraphie sáprent plus aisement quón ne pense, et ie puis assurer que toute sorte de personnes y peuvent reüssir en tres peu de temps, pour peu quils sý apliquent, le grand debit quil sén fait, soit en France, soit dans les Pays Etrangers le prouvent beaucoup mieux que tout ce que ie pourois dire icy.

On aura sans faute a Pâque prochain, les oeuvres de M.r Pecour quúne infinté de personnes attendent depuis sý long-temps; Cé sera un Recüeil tant pour Homme que pour Femme dúne tres grande quantité des melieures Entrées de Ballet qui ayent encor jamais paru sur le Theâtre dont la plus grande partie de celles qui sont a deux, ont été

dansées par Mr. Ballon et Mademoiselle de Subligny, Ce Livre sera a peu pres de la grosseur de celuy de la Choregraphie et se vendra le méme prix de dix livres.

On trouve. Ches le Sieur Feüillet generallemt tout ce quil y a de plus curieux sur le fait de la Danse, tant pour le bal que pour le Theâtre, soit de sa composition ou de celle de Mr. Pecour, et méme des autres Auteurs les plus renomées.

Les Danses qui nont point été jmprimées ce vendent écrittes a la main.

Les personnes qui envoient des Airs pour y faire compose des Danses dessus, auront soin de les envoyer bien corectes, comeaussy dáfranchir les ports des lettres.
